

Warrington Advanced Motorists

Motorway Familiarisation Course

We are re-launching our popular Motorway Familiarisation Course, competitively priced at £15 for 4 weekly 1-hour sessions.

There's no test at the end of it, although if you find that you want to go on to do the full Advanced Driving course, your fee becomes a £15 discount off the price of the IAM's ***Skill for Life*** package.

We have miles and miles of motorways around Warrington (M6, M56, M62, M53, M60, M602, etc.), so there is ample scope to practise motorway driving, as well as learning the safest way to negotiate complex motorway junctions, of which we also have plenty.

- Motorways are now part of most people's lives but motorway driving is not part of the basic driving test.
- Motorways are statistically the safest roads in the UK, but when a collision does happen, the consequences can be serious.
- We will show you how to improve your motorway driving, increase your confidence and start to enjoy your journeys.
